To

The Offg Asst. Commr. Kaveripatnam

Adverting to your letter No 3 of the 5th instant, reporting on the Dyscrasite remarks on the proposal to abolish the additional Bazar Duty of one pie per 100 betel leaves provided in the Bangalore tabork, I am directed to observe that it is not clear on what ground the Contractor has levied the additional pie duty, and, so far as the Chief Comptr can see, he has had no authority to do so Para: 2 of the Rules published under No 390 of the 16th March 1871 distinctly limits the Bazar duty on betel leaf to one pie per 100 in leaf from Mysore, and two pies per 100 in that from N Mri Districts -

2. The Chief Comptr approves of the proposal suggested by Mr Ricketts in the concluding portion of his letter No 151 of the 28th ultimo to your address quoted in the margin, and sanctions its adoption in the Bangalore tabork.

"To remedy this inequality I would beg to suggest that the same duty, and apportioned in the same manner, may be charged on the purchase of the Bangalore tabork as is now levied upon the purchase of the other taborks of the District."
